

# United International University

# OUR MISSION

The mission of UIU is to create excellent human resources with intellectual, creative, technical, moral and practical skills to serve community, industry and region. We do it by developing integrated, interactive, involved and caring relationships among teachers, students, guardians and employers.

Our Story of Global  
Excellence

## DCCSA

Facilitate connections between prospective employers and UIU students while equipping students with market-driven skills to meet evolving industry demands.

## IQAC

Committed to continuous quality improvement and accountability across governance, curriculum, admission, teaching, and learning, with progress marked by seminars, self-assessment committees, and workshops on program objectives, outcomes, and pedagogy.

## IAR

Provide funding for faculty research proposals through IAR, foster research collaborations nationally and internationally, and support Scopus-indexed journal and conference subscriptions.

**Our Initiative for Faculty & Student Welfare**

# Department of CSE

The mission of the department is to groom our students with the quality of leadership skill, complex problem solvers, and lifelong learners who will be able to create, share and apply their knowledge in multidisciplinary areas to earn benefit for the humanity.

## Department

# Overview of CSE

- Largest and nationally renowned department at UIU.
- Offers three programs: BSCSE (138 Cr), BSDS (138 Cr), MSCSE (36 Cr).
